**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC

AT&T is a bad company which charge a lot with low technology. Sonic is the future of our American young company with advance technology --BROADBAND which benefited the residents of the City of Brentwood. The next city that I know Sonic worked on is San Francisco. The Wi-fi att provide can not even run my house security cameras.

KEEP SONIC ALIVE. MORE COMPETITION. NO PRICE HIKES
